Internal Quality Assurance Cell (IQAC) Student Satisfaction Survey (SSS)-2022-2023

The New College has conducted Student Satisfaction Survey (SSS) during the academic year. The survey was conducted by the IQAC using the Student Satisfaction Survey questions provided by the NAAC. The survey enabled the college to understand students' responses on the teaching learning and evaluation activities of the college. The questionnaires consisted of 20 questions and 2857 students participated in the survey. The questions and responses are as follows:

Outcome of Student Satisfaction Survey (SSS) (2022-2023)

The student satisfaction survey (SSS) conducted for the academic year 2022-2023 enabled the college to understand students' perspective on the quality of teaching, learning, evaluation and the resources and facilities available in the college.

90% of the respondents agreed / strongly agreed that more than 95% of the syllabus was completed by the teachers. Similarly, majority of the respondents (97%) testified that their teachers prepared well for the classes. With regard to the communication skills of the teachers, 95% students believed that their teachers communicated effectively with them.

Responding to the question on teachers' approach to teaching, 93% students expressed their satisfaction. Further, 95% students who responded to the survey confirmed the existence of fairness in internal evaluations.

94% students felt that their assignments were discussed with them by their teachers. More than half of the total respondents (92%) thought that the institution took active interest in promoting internship, student exchange and field visit.

94% students opined that teaching and mentoring process in the institution facilitated cognitive, social and emotional growth in them. Moreover, 94% students agreed that the institution provided multiple opportunities for them to learn and grow. In addition, 95% students agreed that their teachers informed them about course outcomes and programme outcomes.
