### REPORT OF EXTENSION ACTIVITIES AND OUTREACH PROGRAMMES

Name of the Activity : Cycle Rally  
Date : 18-07-2019  
Scheme : Mega Pollution Awareness Pakhwada  
Organizing Unit : 1 TamilNadu Battalion NCC

About the activity : National Cadet Corps has undertaken a pan-India “Mega Pollution Awareness Pakhwada”. The pakhwada aims to sensitize people against various kinds of pollution and their effects. As a part of the mega drive, 2 Company 1 TamilNadu Battalion NCC, The New College, Chennai in connection with Chettinad Vidhyashram school organized a Cycle rally on 18th July, 2019 at Marina Beach, Chennai. 22 NCC cadets and one ANO from the New College participated in the rally.

The aim of this cycle rally to showcase residents of the city, who are now faced with an ever-increasing problem of traffic congestion and atmospheric pollution, must seriously consider the option of cycling for short distances. Parking a cycle is also so much simpler and easier. Since it requires no fuel, it is easy on the pocket.

The cadets pedaled around the ground carrying placards highlighting “switching off engines of vehicles at traffic signals, cycling for a short distance and carpooling could reduce pollution at a great extent”. Several other measures were suggested during the rally; these included switching off lights and fans when nobody needs them, using cloth and paper bags; waste segregation; protection of waterbodies and installation of solar panels for generating electricity.

On the whole, the rally was an informative and productive event for the public and present generation youth in particular. Lets all join hands in protecting the environment and nation for the future generation.

### REPORT OF EXTENSION ACTIVITIES AND OUTREACH PROGRAMMES

Name of the Activity : Pledge – in connection with plastic waste management  
Date : 02-10-2019  
Organizing Unit : 1 TamilNadu Battalion NCC, The New College, Chennai  
About the activity : National Cadet Corps has undertaken “Mega Swachhta Pakhwada”. The pakhwada planned to coincide with the 150th Birth Anniversary of Mahatma Gandhi to spread awareness and realize the dream of CLEAN INDIA of the “Father of the Nation”.

As a part of the mega drive, 2 Company 1 TamilNadu Battalion NCC, The New College, Chennai took a vow to protect the trees every year and forbade the use of plastic bags in the college campus.

The wish for green and Eco-friendly surroundings can only be fulfilled if we take an oath not to use plastic material anymore and strive to preserve the biosphere and ecosystem.

In connection with that 36 NCC cadets took pledge at the College campus “Say no to plastics”. The oath read “ I ....., pledge to say “NO” to plastic bags and use reusable bags whenever possible. I will carry reusable bags so that I have them at the time of their need. By doing so, I will help to stop plastic waste pollution at the source... Jai Hind”.
