Deeksharambh Student Induction Programme

Shift I
2024 - 2025

INTRODUCTION

Change is the inevitable part of life. So is the transition from school to college / university. College life is one of the most challenging phases in students' life. When the new students enter a higher education institution, they come with diverse thoughts, backgrounds and preparations. They come into a new and unfamiliar environment. Many of them have little knowledge of what it means or how it feels to be in college. An important task therefore, is to welcome them properly and prepare them for their new roles.

Student Induction Programme (Deeksharambh) is designed based on the objectives of the University Grants Commission with a purpose to help students acclimatize with the new surroundings, develop a bond with fellow students and teachers, sensitise oneself towards various issues of social relevance and imbibe humane values in them so as to become responsible educated citizens of the country.

PROGRAMME OBJECTIVES OF SIP

- Help the new students feel comfortable.
- Draw their attention to exploring academic interests and activities.
- Reduce competition.
- Make them work for excellence.
- Promote bonding amongst them.
- Build relations between teachers and students.
- Open new horizons of life leading to character building.
- Focus on mentoring based on Universal Human Values like truth, righteous
- conduct, love, non-violence and peace, helps create awareness towards society and nature.
- SIP helps to foster a "Family feeling among students and teachers thereby
- facilitating sharing of their difficulties and seeking help if required".
