## Minutes of Ethics Committee Meeting

A meeting of the institutional Ethics Committee was held at 11.30 AM on 24 March 2021 at the IQAC to discuss various issues pertaining to Ethical Code of Conduct in research.

### Agenda

1. Confirmation of Previous Meeting Minutes and Action Taken Report
2. Measures to create awareness of Research Ethics
3. Research Ethics Course for Ph.D. Scholars.
4. Animal ethics related matters.
5. Awareness on Respecting Privacy of Human Subjects in Research.

### Discussion

The Dean of Research read out the minutes of the previous meeting and secured the approval of the house for the same after discussion.

While introducing the issues to be discussed in the meeting, the Dean of Research opined that there is a growing need for creating awareness among the students and research scholars on the ethical practices, particularly in the post-covid scenario.

The Principal, Dr. S. Basheer Ahamed concurred with the views of the Dean of Research and observed that the discussions on ethical practices in research can also be extended to addressing similar issues in the Undergraduate and postgraduate programmes.

Dean of Research observed that steps are to be taken to create awareness on research ethics among students. He opined that a meeting of the research supervisors can be convened to discuss the matter, and they may be entrusted with the responsibility of sensitising students on the ethical concerns.

Dr Anvar Sadhath, Director of IQAC highlighted the necessity to implement the research ethics course meaningfully for all Ph.D. scholars. He felt that the college may develop separate course materials taking into account the ethics to be followed while pursuing research in different disciplines.

Dr. Sultan Mohideen drew the attention of the house on the committees on Animal Ethics to be in place in the college. He informed that, although there are stringent laws on using animals in labs for dissection, the college has to take necessary steps to align with national level bodies on animal ethics.

Dr. Abdul Raheem, Associate Professor of Economics, informed that the college needs to upgrade the Code of Ethics to incorporate regulations in using human subjects in general for research.

### Resolutions Passed

The meeting resolved to periodically update the Code of Ethics incorporating the use of animals and human subjects in research.

The meeting resolved to follow the syllabus prescribed by the University of Madras for the Research Ethics Course prescribed for Ph.D. scholars.

### Action Taken Report

1. Steps have been taken to update the code of ethics after incorporating relevant points, on Animal ethics, and human subjects.
2. Research Ethics Course was made mandatory for all the PhD scholars.
